

# TRENTON'S BEACON OF HOPE SINCE 2007

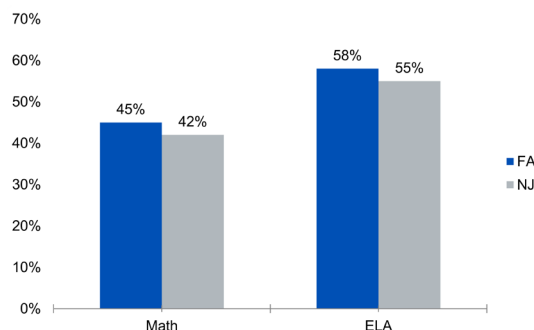

Leading the way for educational equality while building a sustainable model for educational excellence

## FA Foundation Academies

Trenton's largest, highest-performing free public charter school

### DEFYING THE ODDS

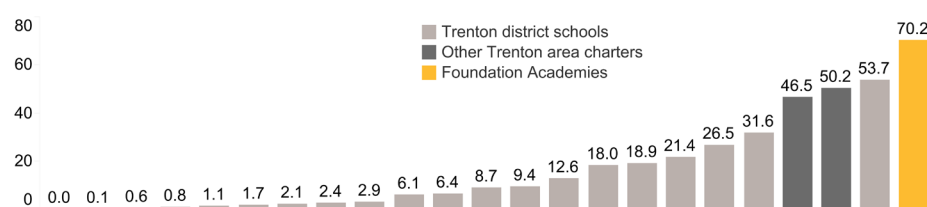

On the State's standardized tests, we outperform NJ state averages in both Math and English Language Arts, even though we admit students by lottery, irrespective of their academic ability.

NJDOE 2018 PARCC Results

### LEADING BY EXAMPLE

Trenton needs great schools, yet 14 of 23 Trenton schools ranked in the lowest 10th percentile in the State. We rank in the 70th percentile, the highest-ranking school in the city.

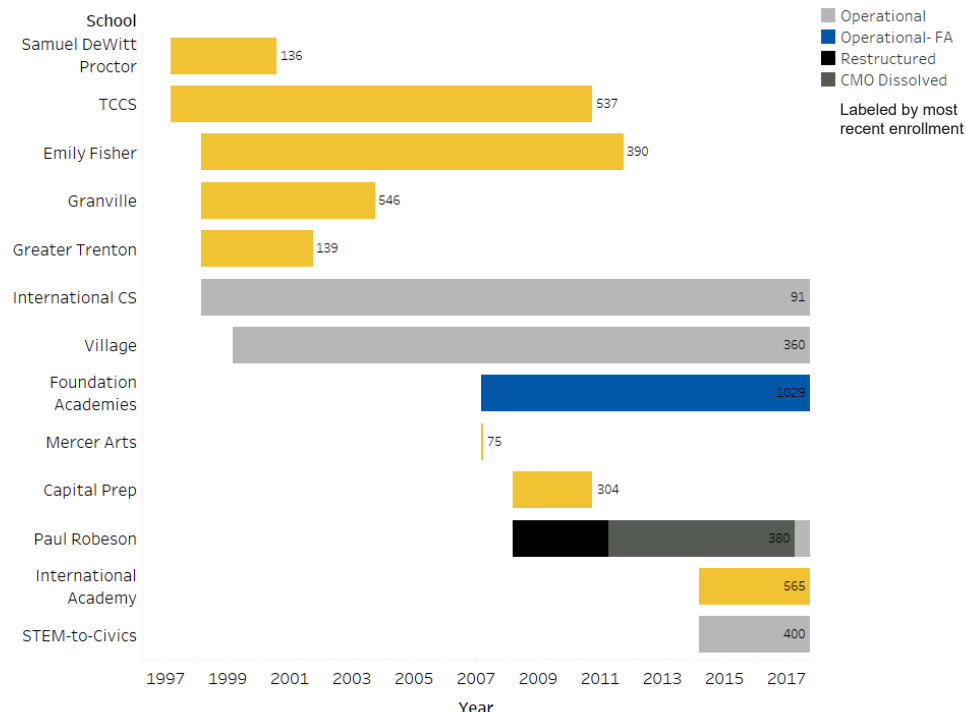

NJDOE 2018 School Percentile Rankings

### SUCCEEDING BY PLAN

62% of all Trenton's charter schools have closed. (32% of all NJ's charter schools have closed.)

We are succeeding where others have struggled, in part because of disciplined fiscal management and responsible, sustainable growth planning.
